

Happy Holidays
from our house to yours!
The Chandler Clan

Holiday greetings from Oceanside ... We are living, since February, in Oceanside to be near the folks. Mom is in Active Care & Dad has a studio apartment at Rancho Vista Retirement Community. We go up to Tahoe as needed ... Beach life is quite different from mountain life & it's kind of nice, after 34 years, not having to shovel snow! ... the kids are great & Cory is doing excellent, surpassing the doctor's expectations ... We can be reached via our same phone number or of course, email ... nuff said ... here's wishing you & yours all the best in the coming new year!!!
